OFFICIAL PRESSKIT

SESCO

SESCO is a peak-time DJ and artist delivering high-impact, rave-driven sets built for the world's biggest stages. His track **"HEY DJ!"** with Vivid gained major international support in 2025 featured in Amelie Lens closing set at Tomorrowland, played by Hardwell at Ultra Europe, and included in Armin van Buuren's "A State Of Trance" year Mix. **The track also ranked #64 Most Played Mainstage Track of 2025 on 1001Tracklists**, marking a breakthrough moment in his global rise.

Having performed in over 50 cities worldwide, including major stages such as EDC China, Ultra Korea and Ultra Japan, **SESCO** consistently delivers sets that transition seamlessly from clubs to festival mainstages.

With releases and collaborations on Revealed Recordings, Sinphony, Dancing Dead and Hexagon his signature sound blends driving basslines, euphoric tension and explosive drops designed for peak-time impact.
