SESCO

SESCO is a peak-time artist delivering high-impact, rave-driven sets built for the world's biggest stages. His track "HEY DJ!" with Vivid gained major international support in 2025 - featured in Amelie Lens closing set at Tomorrowland, played by Hardwell at Ultra Europe. Ranked #64 Most Played Mainstage Track of 2025 on 1001Tracklists marking a breakthrough moment in his global rise.

Having performed in over 40 cities worldwide, including major stages such as EDC China, Ultra Korea and Ultra Japan, SESCO consistently delivers sets that transition seamlessly from clubs to festival mainstages.

Originally from London, he began DJing at 14, building his foundation on pirate radio and the underground rave scene before relocating to Asia in 2013. Now based in Macau, he is currently Music Director and resident DJ at Para Club, shaping the venue's musical direction while continuing to expand his international presence.

With releases and collaborations on Revealed Recordings, Sinphony, Dancing Dead and Hysteria, his signature sound blends driving basslines, euphoric tension and explosive drops engineered for peak-time impact.
